

Hi Exhibitor News no. 6 week 36

See your profile in the online Exhibitor Catalogue

hi's online Exhibitor catalogue is now published to visitors - they can see your exhibitor profile preparing their visit to the expo.

Your profile has already been created in the Exhibitor Catalogue, so you have to complete it with everything visitors need to know about your business. See our tips &

tricks in the Exhibitor's Manual.

Exhibitor's Guide → My Marketing → Exhibitor Catalogue

Order forklift service

Goods and materials must be delivered directly on the stand. If the driver does not have the opportunity to unload the goods himself, we refer to our partner:

Sand Spedition, telephone +45 9714 5100, email: lv@sandspedition.dk

Empty packaging storage

Packaging may not be stored on the stand or in the back room, but Sand Spedition can help move it and store it for you.

Sand Spedition, telephone +45 9714 5100, email: lv@sandspedition.dk

Effective tool for new leads

With the Fairkey solution, you collect quickly and efficiently relevant data on your new leads, integrate them directly into your own CRM system and follow up with relevant sales material directly on your stand.

Do not let the hot leads be lost to the competitor. Fairkey helps you create a smooth lead collection.

Exhibitor Credit Card

We produce 1 exhibitor credit card for each stand number. The card can be used for purchases in MCH Restaurants and Technical Service.

Order additional cards if you are several colleagues on the stand.
